

Technical drawing showing a side view of a mechanical part. The part has a diameter of  $\text{Ø}44$ . The drawing includes a horizontal centerline and a vertical dashed line indicating a section cut. The part features a cylindrical section on the left, a chamfered edge, a shoulder, a smaller diameter section, and a rounded end on the right.

$\text{Ø}44$

Technical drawing showing a cross-sectional view of the same mechanical part. The drawing includes a horizontal centerline and a vertical dashed line indicating a section cut. The part has a diameter of 23. The cross-section shows a rectangular block with a semi-circular cutout on the right side, which is further defined by a smaller semi-circular cutout.
