

550

A technical line drawing of a kitchen cabinet. The cabinet is shown in a three-quarter perspective view. It has a rectangular body with a flat top and a front panel. The front panel features a horizontal handle. The interior of the cabinet is visible, showing a shelf and two small circular holes. Three dimension lines with arrows indicate the height, depth, and width of the cabinet. The height is 550, the depth is 339, and the width is 318.
